RED CROSS WORKERS OPEN DRIVE

Yesterday 125 women of Albany embarked on a great crusade. As members of the Berkeley Red Cross chapter, they are participating in a drive for members and funds, which is conducted annually in March. Coinciding with the annual Red Cross campaign, the Albany volunteers will do their utmost to raise \$27,000,000 since last July 1st, to help the victims of the North American floods, Midwest tornadoes, and the California Christmas floods, as well as hundreds of minor catastrophes which never made the headlines.

The local campaign worker who comes to your door will be seeking not only cash contributions but also new recruits to fill the ranks of volunteers in the chapter. The ever-increasing demands of the various Red Cross services such as Disaster Aid, Canteen and Nursing services to carry on their programs and to be ready to serve in future strikes, necessitates continued recruitment.

MELVIN L. COX

Melvin L. Cox In Independent Race For Council

Entry of Melvin L. Cox as an independent candidate in the race for a position on the Albany City Council at the April 10 election has just been announced.

Mr. Cox has been employed at the University of California Radiation Laboratory since January, 1945. Previously he had been with the General Electric Company at their Brackenridge, Penn. research laboratory.

Back Booth Boys Plan St. Patrick's Day Festivities

The Albany Back Booth Boys, the city's largest luncheon club with a membership of 77 plus, is planning a St. Patrick's Day luncheon to be held on Thursday noon of Mar. 15 at Vic Figone's Six Bells Restaurant in El Cerrito, according to an announcement by Jack O'Leary, club president.

Co-chairmen for the event include the following names typical of the "Old Sod": Ed Haran, Red Sullivan, Jack Lynch, who will be in charge of reservations and decorations.

Entertainment and community singing in keeping with the spirit of the day will be assured. A bit of "The Wearing of the Green," with a Shamrock is a "must" for those who do not wish to be conspicuous in the eyes of President Jack O'Leary.

Dr. Schilling Speaks At St. Alban's Sunday

The Rev. Frederick A. Schilling, Ph.D., professor of Biblical Theology and New Testament Literature in the Church Divinity School of the Pacific, Berkeley, will preach at St. Alban's Episcopal Church, Albany, on Thursday, March 8 at the service of evening prayer at 8 p.m.

Square Dancing Class to Start

There is opportunity to learn to square dance. A new class will open at Alvarado School, 5625 Sutter St., in Richmond March 6th, and continue each Tuesday thereafter. The time is 7:30 to 10 p.m.

The class will be self supporting and co-sponsored by the Richmond Recreation Department.

laboratory from 1935 until 1944, and worked on the Manhattan Engineering Project at Oak Ridge, Tenn. until September, 1945.

He attended Pennsylvania State College, and was an officer in the Zeta Epsilon Fraternity.

He is an Albany home owner and lives with his wife, Eleanor, at 845 Solano Ave. They have four children: Richard, 20, graduate of Albany High School in 1953; now on special assignment with the California National Guard, 49th Recon. Div. at Fort Knox, Ky.; Robert, 16, a junior in Albany High School; Stephen, 8, in the third grade at Vista School, and a Cub Scout; Elizabeth, 3, morning class at the Albany Pre-School Nursery.

Mr. Cox feels that since he neither owns his own business in Albany, nor is employed there, that he can give an unbiased and unprejudiced approach to the problems and questions which come before the Albany Council.

As a home owner and Tax Payer in Albany, Mr. Cox has the welfare of his many friends and neighbors in the same category uppermost in his mind.

As a sole candidate for Councilman who lives in the area West of San Pablo Ave., Mr. Cox feels he is best qualified to represent this fast growing district in the Albany Council.

JOHN M. CONNORS

John Connors Files Petition For Councilman

John M. Connors, owner of the Connors Overhead Door Co., and residing at 1118 Curtis Street, Albany, has filed his petition for city councilman, subject to the will of the voters on April 10. A resident of Albany for nearly six years, Mr. Connors was born in Berkeley 36 years ago. He is married and has a young daughter who will enter school next fall.

Mr. Connors has never sought public office before, but is now seeking a seat on the Albany City Council, believing that his qualifications in the building trades, and his experience as the owner of a successful business can be used beneficially for the people of Albany. He is also desirous of serving Albany from the standpoint of public service and a willingness to help in all civic matters affecting the welfare of the city and its environs.

Albany is growing rapidly like all other communities in the San Francisco Bay Area and it requires vision and planning in order to keep up with this growth. Mr. Connors firmly believes, and it is with these convictions that he has presented his name to the Albany electorate for consideration on April 10.

Mr. Connors operates his business under state license. Doors of all descriptions are manufactured in his plant, including electronic operators. The firm maintains a branch in San Francisco as well as the plant here. His reputation for fair-dealing is well known, not only by those who patronize his firm but who work for him.

Mr. Connors is a member of the El Cerrito Junior Chamber of Commerce and the Fraternal Order of Eagles Lodge in Berkeley.

MAYOR HOWELL OFFERS HIS VIEWS ON CITY ELECTION

As Mayor of Albany, I feel that it is my duty to express my views regarding the coming April municipal elections. Of course my chief concern is the make-up of the City Council for the next few years.

It is a healthy sign, I think, that nine men and women have declared themselves as candidates for membership on this council: two incumbents and seven newcomers. As to the incumbents, I have no comment, for I feel that the voters of Albany are quite intelligent enough to decide for themselves whether or not their records warrant re-elections.

Nor do I feel it my duty to pick and choose among the new candidates. Every citizen has the right — in fact, the duty — to shoulder his personal responsibility toward the fair city in which we reside and which we all love.

But one aspect of the approaching campaign has disquieted me a great deal and continues to trouble me. I refer to the announced candidacy for the City Council of Mrs. Jutta Hardin. Mrs. Hardin happens to be the daughter of Mrs. Kathie Zahn.

Now please do not misunderstand me. I bear no animus or rancor against Mrs. Hardin for that reason. Although I have frequently disagreed with Mrs. Zahn's point of view, I recognize her right to hold her own opinions and to speak her mind. Moreover, I have been acquainted with her daughter, Mrs. Hardin, for several years, and I know her to be an intelligent and charming young lady.

But I am unalterably opposed to the installation of two intimately related members of the same family on any governmental body. If two, why not three, or four, or five? Any such development would make a mockery of representative government.

I go further. I should regard with concern the candidacy of two or three or four or five persons from the same block, or of the same occupation, for seats on the Council. Representative government and our democratic process would soon expire. Yet here are two women, mother and daughter living under the same roof, who will strive to comprise two-fifths of Albany's governing body. It is conceivable, if this sort of eventuality should come to pass, that we might wake up some morning to find the majority of the Council — or perhaps the entire Council — composed of members of one closely related group.

(Signed)
LEWIS M. HOWELL
Mayor of Albany.

Brownie, Girl Scout Troops to Get Flags

The Emeryville Industrial Auxiliary No. 1010 VFV will present two American flags to Brownie and Girl Scout troops of the St. Columbas School, 1086 Aleatraz Ave., on Mar. 6 at 12:30 noon. The presentation will follow a luncheon given by the Girl Scouts in honor of the Mother's Club which sponsors the troops.

Fireman Freddy Says:

To prevent those mysterious fires caused by "spontaneous ignition" never put oily rags or cloths saturated with furniture polish, paints, or waste in closets or cupboards. Instead, get rid of those which you will not need again, and keep the others in covered metal containers. Keep your waxed and floor mops in cool open places, such as the porch.

Cub Pack 50 To Hold Annual Fete Saturday

Cub Pack 50, sponsored by the Albany Post of the American Legion, will hold its annual Blue and Gold dinner at 6 p.m. Saturday at Camp Hernie.

A pot luck supper will be served, with the Pack 50 Mothers Club in charge. Mrs. Frances Arnold is president of the club.

The pack received a proficiency rating for its display of Indian handicraft at the Berkeley exposition last month. The club's work will also be displayed during a training conference for adult leaders March 10 at El Cerrito High School.

Cubmaster Merritt Thomas announces formation of a Webelos Den, with Ray H. Overshiner in charge. The pack is now at full strength with a waiting list for applicants, Thomas said.

Receiving awards at the last meeting were: David Ferranti, Bruce Chalonier, Robert Marshall, Jim Miller, Bob Isert, John Crewson, Dean Cullop, Harold Ansbach, John Elder, Ryn Stephens, Michael Sull, Jerry Fort, Michael McKaig, Tim Moore, Jim Rollins, Michael Glasco, Scott Williams, John Woolworth, Larry Calais, Bill Thomas, Barry Jaeger, Steve Purcell and Gary Fullerton.

Security Savings Opens New Main Central Office

In the biggest expansion of its 28-year history, Security Savings and Loan Association yesterday opened its new main office in downtown Oakland at 2250 Broadway, corner of Grand Ave.

Security Savings and Loan already has offices in Albany, Richmond and Martinez. W. J. Bowman, association president, emphasized that the new Oakland office is designed to serve savers and borrowers in the entire east bay area.

"A main Oakland office to centralize our growing east bay business will provide greater flexibility and enable us to offer our services to many more people," Bowman said.

Bowman will continue as association president and chairman of the board of directors, with his office at the new Oakland location. Leonard R. Cardozo, vice-president and chief appraiser, will continue to serve in the expanded organization and will manage the main office loan department. In another newly created position, H. A. MacElmurray has been named director of public relations.

Friends to Hold Home Meetings For Freda Hancl

Freda E. Hancl, candidate for a long term post on the Albany Board of Education, will be honored at a series of home meetings, starting next week, and continuing to the election, April 10. The meetings, which range from morning "coffee breaks," to afternoon socials and evening affairs, will give many people an opportunity to meet and talk to Mrs. Hancl.

Mrs. Hancl's friends have already set several meetings, with more to be scheduled as time allows. These include: Mrs. J. E. Maxwell, 4009 Pomona Ave., 10:15 a.m., March 6; Mrs. Max Klein, 1131 Garfield Ave., 10:15 a.m., March 8; Mrs. Charles Keppel, 1130 Evelyn Ave., 8 p.m., March 9; Mrs. George Ferreira, 811 Solano Ave., 10:15 a.m., March 13; Mrs. Thomas Maloney, 714 Cerrito St., 8 p.m., March 20; Mrs. John McCosker, 737 Pierce St., 2 p.m., March 21; Mrs. Charles Shaw, 800 San Carlos Ave., 8 p.m., March 23.

Kensington Awards Life Memberships

"For outstanding service to youth," two members of the Kensington PTA were honored at the Feb. 14 meeting by receiving honorary life memberships in the California Congress of PTA. Mrs. Bernice Wilke and Mrs. Leo Doyle were presented with the pins by Mrs. Luis Alvarez, past president of the Kensington unit and chairman of the life membership committee.

St. Alban's Group Will Hear Speaker

Dean Catherine Grammar of the Episcopal House of St. Margaret's in Berkeley will be the featured guest speaker at the regular meeting of the Unified Auxiliary of St. Alban's on Tuesday, March 6, instead of their regular meeting day Wednesday. Any interested Episcopal church women are especially invited to come to the noon meeting and hear Dean Grammar speak on Bible study.

New members of the pack are David Barrows, David Freels, Jerry Gordon, Eddie Williams, Robert Marshall, Randy Joeger, Ray Nottingham and Jimmy Wells.

ATTORNEY RULES ON CULVERT REPAIRS

Albany City Attorney Robert J. Foley rendered his opinion to the council Monday night on the question of responsibility for upkeep and repair of damage to culverts designed to carry off the water of Middle Creek, which flows beneath the city from the eastern limits diagonally to Cerrito Creek west of San Pablo Avenue, but the council withheld action pending a report from the city engineer.

The council concurred in Foley's opinion that the city is not liable to maintain the culvert on private property, "provided that the city did not construct and has not heretofore accepted for maintenance such storm drains." The council also tentatively agreed to the suggestion of R. C. Gray of 1216 Garfield Avenue, that the city should ask the Alameda County Flood Control Commission to make a survey of the city's storm drain system, with a view to finding an ultimate solution of the entire problem. Such a preliminary survey, it was said, would be made without cost to the city.

Acting on a communication from W. N. Thomas Jr., 839 Washington Avenue, calling attention to a dangerous condition existing on Washington Street, just west of Polk, the council ordered a study of the situation by the city engineer and the chief of police, and a report with recommendations for its correction.

A letter was also received from Fire Chief Fred Pimental recommending adoption of a new fire code. The council approved a motion to instruct the city attorney to draw up the necessary resolution.

Action on a proposed sales and use tax ordinance was again held up, pending action by the Alameda County Board of Supervisors. Any new ordinance by the city must follow the terms of the county ordinance, if, as, and when adopted.

The city attorney was instructed to attend a meeting of the Bay Cities Traffic Commission in San Francisco.

Democratic Group To Hear Address On British Women

Postponed because of the surprise visit of Adlai Stevenson to the February meeting of the Alameda County Democratic Women's Study Club, Mrs. Ruth Kingman's talk on "Why British Women Vote" will be given to the group on Wednesday, March 7.

Lunch at 12:15 p.m. at Robin Hood Inn, 55 Grand Ave., Oakland, will precede the talk and a business meeting.

Mrs. Kingman returned to her Berkeley home in December from a tour of the British Isles sponsored jointly by the National League of Women Voters of the United States and the British-American Associates, an English organization fostering understanding between the two nations.

Her surveys in Britain showed that 80 to 90 per cent of British women vote, compared to a high of 65 per cent in elections in the United States. Her talk to the Democratic women's group will attempt to analyze the reasons why more British than American women go to the polls.

Mrs. Nancy Witt of Oakland is president of the club, a county-wide organization.

Thousand Oaks OES Will Meet Mar. 5

Thousand Oaks Chapter No. 375, Order of the Eastern Star, will hold a stated meeting Monday night, March 5, at 8 o'clock at the Thousand Oaks Masonic Temple, Colusa and Catalina Aves., Berkeley. Entertainment will be provided by Carmen Rago, accordionist and singer, and Nancy Chierlone, pianist.

Gladys Hardin will be chairman of the evening and Lillian Chappel will be banquet room chairman. Blanche Parnelli, worthy matron, and Joseph P. Sanchez, worthy patron, will preside.

There was no place called Bunker Hill at the time of the famous battle, which was fought on Breeds Hill, just outside Boston. In 1843 a monument was erected on Breeds Hill to commemorate the battle. Bunker Hill is actually the name of another hill nearby. Cyclopaedia of Names and Popular Fallacies by S. E. Ackermann.
